

DESIGNATION ORDER

Whereas, on March 19, 2019, secondary control zones were declared by the Minister of Agriculture and Agri-Food under subsection 27.1(2) of the *Health of Animals Act*¹ in respect of African swine fever; and whereas I am authorized by section 33 of the Act to exercise the power of the Minister under subsection 27.1(3) of the Act;

Therefore, under subsection 27.1(3) of that Act, in respect of those secondary control zones, I by this order designate the things listed in the attached Schedule as being capable of being affected or contaminated by African swine fever.

Signed at Ottawa, March 29, 2019

Dr. Debbie Barr, Inspector

¹ S.C. 1990, c. 21.

Schedule

Any grain or oilseed, and their associated meals, that are destined for use in livestock feed or for further processing or for cleaning.
