Producer's Declaration:

I, the undersigned producer, hereby declare that I wish to produce animals whose meat will be eligible for export to the European Union under the provisions of the European Union's Tariff Rate Quota (EC No 620/2009).

I am aware, having read "*Annex R-13, Requirements for Compliance with the European Union Tariff Rate Quota for High Quality Beef*" and having consulted with my Accredited Veterinarian, of the requirements placed on me as a feedlot wishing to export under this quota.

I understand that animals slaughtered under this quota must also comply with the existing requirements of the "*Canadian Program for Certifying Freedom from Hormonal Growth Promotants (HGPs) and/or Beta-agonists Having an Anabolic Effect*" and that I am currently enrolled with the CFIA to operate in that program.

I also understand that failure to comply with the requirements of the "*Canadian Program for Certifying Freedom from Hormonal Growth Promotants (HGPs) and/or Beta-agonists Having an Anabolic Effect*" as well as those outlined under this program may result in my removal from both programs.

I also hereby allow CFIA and EU Officials to obtain necessary information from my Accredited Veterinarian or to provide requested information to verify compliance with the requirements.
